

The Old Firehouse Event Center

108 N. Emma St, Suite 1D, West Frankfort, IL 62896

The Old Firehouse Event Center, constructed in 1925, was the former West Frankfort Firehouse and City Hall. It is now an elegant, beautifully detailed event center.

Located in Downtown West Frankfort, The Old Firehouse Event Center offers several spaces to suite all of your event needs.

The West Firehouse features café style tables and chairs, and a built in bar. Enjoy floor to ceiling glass firehouse doors with the light and activity from your event casting through the glass onto the night scape of West Frankfort.

The East Firehouse lounge is perfect for smaller events and proudly displays the original solid brass fireman's pole.

The Main Firehouse is a large space perfect for all gatherings and features an available wooden dance floor, large firehouse doors with windows and the infamous piano that the Beatles' George Harrison played on air during his historic Benton visit in 1962.
